Remarks

This move-in ready home offers updated style and a smart open floor plan. Newer luxury vinyl plank flooring runs through the common areas and bedrooms, plus an updated kitchen with granite countertops, newer stainless steel appliances, and refreshed cabinetry. Bathrooms feature newer cabinets and fixtures. Water heater was replaced in 2024. Flexible den makes a perfect home office, gym, or hobby space. Step outside to a paved, covered back patio -- ideal for morning coffee or evening BBQs and no back neighbors for added privacy. Conveniently located near the Goodyear Recreation Campus and quick access to the I-10 and Loop 303 freeways for an easy commute.
